Online Activities

Please check out our Facebook page for a whole host of book recommendations, online activities and special events for all the family including weekly rhymetimes and storytimes. Keep your eyes peeled for fantastic upcoming events for National Storytelling Week, Holocaust Memorial Day and the Big Welsh Rhymetime over the next month. We are super excited to be working with some very special people.

Email Susannah.Hill@aura.wales for details

Webinar in partnership with Open University Cymru- FREE

Supporting Children's mental health and wellbeing

MS Teams webinar

Date – 8th Feb 11-12

Children's mental health is becoming an increasing concern, especially during this pandemic. A 2018 report by the Welsh Assembly stated it is estimated that three children in every average-size classroom will have a mental health problem. There are many children who show signs of anxiety and depression, but are not formally diagnosed. Come along and find out some practical things that will help you recognise signs and build their emotional resilience.

Who should attend:

Parents/guardians of children from a young age upward, or who have children who find it challenging to express themselves.
