

Hwb Dysgu CA2 / KS2 Learning Hub

Following the announcement made by the Welsh Government last Friday, the Nursery, Reception, Years 1 and 2 pupils will be returning to school during the week following the half term holiday. Therefore, this means that KS2 pupils **will not be** returning at the moment – this will be revised at a later date.

The Learning Hub will be available for KS2 pupils (please see important note below and attachments from the Welsh Government) from Tuesday, February 23rd (In-Service Training Day on Monday, February 22nd) but there will be some changes due to the fact that the Foundation Phase are returning.

Welsh Government guidance states children of key workers should only attend school if there is absolutely no safe alternative, and only on days when their parent or parents are working.

Blended Learning will continue for KS2 pupils along with the Live Sessions. We hope to be able to organize more than one live session a week after half term.

- *To gain access to the Learning Hub, we will be asking for evidence of your employment as a key worker/key workers. (If you have provided this already, you do not need to present them again).*

- *The online booking system for the Learning Hub and Clubs will be open after mid-day today, Tuesday, February 9th.*
- *After half Term, Year 5 & 6 pupils who are attending the Hub will need to come through the new door in Mr Rhydian Jones' class, and Year 3 & 4 will need to come through the main entrance.*
