16/7/21	Diwrnod olaf Gwisg eu hunain

Letters regarding class trips will follow.

Forest school

During the summer term year 5 and 6 pupils have been lucky to have Forest school activities with Mrs Sam Green. The pupils have had a great time playing social games, creating a fire and toasting marshmallows as well as creating craft from nature.

The New building

The new building is developing well. Recently, everyone came together to sign the panels. This is year 3 and 4 signing the panel.
