Thursday, July 15th will be a fun day for Year 6 pupils. They we will be going swimming (they need to wear their swim wear underneath their own clothes) and are welcome to take inflatables to the pool. They will be eating their picnic in the park and then visiting the Spavens shop in town for an ice cream and a Slush drink.

They need to come in their own clothes and to bring a packed lunch and drinks for the day.

Let's hope they'll have a day to remember!

Wishing them all the very best in high school.
