

15/9/21 Cynydd mewn Canlyniadau positif o Covid

Mae achosion Covid-19 yn parhau i gynyddu ac rydym wedi cael mwy o ganlyniadau positif ym mlwyddyn 3, 4, 5 a 6 ar ddechrau wythnos yma.

Mae tîm Orlhain a Phrofi wedi cysylltu ac yn annog unrhyw gyswllt agos i fynd i gael prawf PCR. Mae llythyr yn cael ei yrru i'r disgyblion sydd yn gyswllt agos a oedd yn yr ysgol.

Os yw'ch plentyn yn dechrau arddangos unrhyw symptomau o COVID-19, peidiwch ag anfon eich plentyn i'r ysgol. Trefnwch brawf PCR trwy ddefnyddio'r ddolen ganlynol (oni bai ei fod wedi cael PCR positif yn yr 90 diwrnod olaf):

<https://www.gov.uk/get-coronavirus-test>

Mae nifer o ddisgyblion yn gallu bod yn asymptomatig felly os ydynt yn gyswllt agos Gwnewch brawf PCR er mwyn helpu i beidio lladenau'r feiriws.

Mae'r feiriws yn cyflwyno symptomau megis:-

- Tymheredd uchel
- Peswch cyson
- Colli/Newid eich gallu i flasau neu arogl

Neu unrhyw un o'r symptomau ychwanegol

- Cur pen
- Trwyn yn rhedeg
- Tisian
- Dolur gwddf
- Salwch/Dolur rhydd

Os oes unrhyw amheuaeth gwnewch brawf PCR.

Mae'r tîm glanhau wedi bod yn brysur dros y penwythnos yn glanhau yn ddwfn. Rydym hefyd wedi cael cwmni i ddod i'r ysgol i lanhau a diheintion. Rydym wedi ceisio osgoi cyswllt. Diolch am eich cydweithrediad ac eich cefnogaeth.

11/9/21 Increase in Covid Positive results

The number of Covid-19 cases is still increasing and at the beginning of this week, we have had positive results in years 3, 4, 5 and 6.

The Track and Trace team have contacted us and told us to inform close contacts to get a PCR test. A letter has been sent to close contacts.

We ask that you continue to monitor your child/children in case they develop symptoms. If they do develop symptoms, please do not send them to school but organise a PCR test by using the following link (unless they have had a positive PCR test in the last 90 days):

<https://www.gov.uk/get-coronavirus-test>

Many of the pupils are asymptomatic and do not have any symptoms at all. Therefore, if they are identified as a close contact please do a PCR test in order to limit the spread of the virus.

Symptoms include: -

- High temperature
- Persistent cough
- Changes to the smell or taste

Or any of these additional symptoms

- Headache
- Runny Nose
- Sneezes
- Sore throat

Complete a PCR test if you have any doubts.

Our cleaning team have been very busy over the last weekend deep cleaning the school and we have had a company into the school to Fog/Sanitise. We have been minimising contact.

Many thanks for your support and co-operation.
