

DERBYN A MEITHRIN - Dydd Gwener, 24/06/22

Rydym yn gobeithio dechrau symud mewn i'n dosbarthiadau newydd pwnn fory, felly gobeithiwn erbyn Dydd Gwener y byddwn yn gallu croesawu plant Derbyn a Meithrin i'w dosbarthiadau newydd.

Lleolir y dosbarthiadau newydd yma ar yr ochr chwith o'r llwybr top (hen ystafelloedd Bl 1 a 2).

Bydd angen gollwng y plant ger y giat ar waelod y llwybr ac fe fydd aelod o staff cyfarwydd yno i gyfarfod eich plentyn. Bydd y plant wedyn yn cael ei tywys i'w dosbarth newydd gan aelodau o staff.

Ar ddiwedd y dydd (a hefyd wrth gasglu plant Meithrin am 11.30 a Meithrin plus am 2.50), gofynnwn i chi ddod drwy y giat a sefyll tu-allan i ddrws dosbarth eich plentyn. Sylweddolwn nad oes llawer o le yno ar hyn o bryd, ond gofynnwn yn garedig i chi beidio sefyll ar y pridd os gwelwch yn dda gan ei fod wedi neu ar fin cael ei hadu.

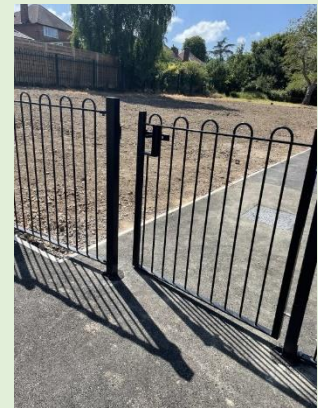

NURSERY AND RECEPTION, Friday, 24/06/22

We hope to begin to move into our new classes tomorrow afternoon, so by Friday, we hope to be able to welcome Reception and Nursery children into their new classes.

The new classes are on the left hand side from the top path (Year 1 and 2's old classes).

The children will need to be dropped off by the gate at the bottom of the path and a familiar staff member will be there to meet your child. The children will then be taken to their new class by members of staff.

At the end of the day (and for Meithrin children at 11.30 and Meithrin Plus children at 2.50), we ask you to come through the gate and stand outside your child's classroom door. We realize that space is limited at present, but we kindly ask that you do not stand on the soil please as it is/will be seeded.
