### **Ciarán - Event organiser and coach**

I look forward to sharing my local and international coaching experience with the Academy players. As a player and coach I am constantly striving to learn and improve. I have enjoyed 6 years with Northop Hall Hockey Club and am proud to have captained our 1st team to a league promotion this season. The Academy is a chance to provide an alternative sport and step into the highly skilled and enjoyable sport. I look forward to meeting you in Summer.

### **Roger - Event organiser**

The excellent coaching and friendly atmosphere at Northop Hall Hockey Club have allowed both my children to thrive, my son represented Wales at U18 NAGS and now plays for Durham University, my daughter represents North Wales at U13 level. The development of junior players is testament to the ethos at Northop Hall: training all year round, mixing with senior players in our fun summer 7s every Thursday evening. The club has enjoyed unprecedented success in 2022 at junior and senior levels and we are extremely proud of our young men and ladies we send to represent Wales.

### **Tom- Head coach**

I have been coaching hockey for 9 years working with different ages and abilities and coaching within both the Welsh and English player pathways. I look forward to sharing my experience and knowledge and look to encourage enjoyment and enthusiasm as well as increase skills. I currently play in the North West Premier league and I am a fully-qualified umpire.

### **Angharad - Assistant Coach**

I have played for Northop hall since I was 7 years old and during that time I have for played for ladies 1s, North Wales and Wales. I'm looking forward to bringing my skills to coaching at Northop Hall Hockey Academy.

### **Mike - Coach**

Being a degree educated sports coach and having had a number of years experience playing hockey, most recently for Northop Hall Men's 1s, I'm looking forward to being involved in the Northop Hall Hockey Academy, introducing and improving the skill set of everyone involved.

### **Connor - Assistant Coach**

Hockey is one of my greatest passions. Having attended some of the best hockey camps in the Netherlands, I hope that my insight and experience will provide the Academy players with a memorable summer.

### **Matt - Assistant Coach**

Northop Hall was a fantastic development club for me and coached me through to Wales U18 NAGS. I now play my hockey at University but never miss a chance to pop 'home' and I enjoy playing the summer 7s with the whole club involved. Like the other coaches who have grown up at Northop Hall I have experience that I look forward to sharing with the younger players.

## Behaviour expectation

### DISCIPLINE PROCEDURES

If a participant is disrupting the session, creating an unsafe condition, or displaying a disrespectful demeanor to the staff or peers, the participant may be removed from the Academy. Typically we follow a 3-occurrence system to determine dismissal and recognize that all behavioural issues, even if repeated, should not necessarily result in removal from a program. We make every attempt to work with the child and family to improve behaviour.

**1st Warning (Warning/Reteach):** Academy staff will redirect the player to more appropriate behaviour.

**2nd Warning (Minor):** If inappropriate behavior continues, the player will be pulled aside for a constructive thinking opportunity (time out) to refocus, get on task, and to discuss alternative behaviours.

**3rd Warning (Major):** After three incident reports, disciplinary action is left at the discretion of staff; however, the child may be suspended. A meeting will be arranged with the parent/guardian, staff member, and the camp director to determine the conditions of reinstatement.

Ultimately, a child may be discontinued from the Academy or future Academies if inappropriate behaviour persists. In severe cases - Northop Hall Hockey Academy has strong concerns in matters of violence. If your child engages in a violent act causing possible harm to another participant or staff person, there is a high likelihood of suspension for at least one day of the Academy and possibly removal from the Academy indefinitely. The Academy director will make phone calls home depending on the severity/recurrence of behaviours.
