Ymddiheuriadau/Apologies

Rydym wedi cael problemau gyda nifer y cerrig sydd yn yr ardaloedd lle mae Wynne's construction wedi bod yn gweithio. Mae'r cwmni torri gwair Sherratts a'r Awdurdod wedi gwrthod torri'r gwair. Felly Wynne's construction sydd yn gyfrifol am yr ardaloedd lle mae y cwmni wedi bod yn gweithio tan gwanwyn 2023.

Mae ardaloedd yn edrych yn hynod o fler ac rydym fel ysgol yn ymddiheuro'n llwyr am hyn.

Os ydych eisiau cwyno am hyn ebostiwch

We have had problems with the amount of stones left by Wynne's construction in the areas they have been working. The grass cutting company Sherratt's and Local Authority have refused to cut the grass. Therefore, Wynne's construction are responsible for the areas where they have been working until Spring 2023. We have emailed them and are awaiting action in the next few weeks.

We apologise for the mess and should you wish to complain please email the address above.
