

Diolch/Thanks

Diolch o galon i Wynne's construction am dorri'r gwair a dechrau pigo'r cerrig i fyny. Mae'r tu allan yn edrych yn llawer gwell! Mae ganddym gynllun gweithredu er mwyn symud ymlaen. Byddwn yn gallu dechrau datblygu ye ardal tu allan pan mae'r glaswellt wedi setlo.

Diolch hefyd i'r Awdurdod Lleol am eu cefnogaeth.

Many thanks to Wynne's construction for cutting the grass and starting to pick up the stones. We now have a plan of action. We will be able to develop the outside areas once the grass has settled. Many thanks to the Local Authority for their support.
