*As part of our theme this half term 'Together we are stronger' we will be celebrating our talents and individuality by hosting our very own Talent Show in school on **Thursday, October 27th.***

Pupil are welcome to bring any equipment that they may need to display their talents with them on the day. For those talents that are not so easily performed in person such as horse riding, riding a bike or swimming; you are more than welcome to share a video on SeeSaw than can be displayed on the day. If you do intent to send a video could we ask that you do so by Monday, October 24th.

Thank you for your support and we hope that everyone has a memorable day.
