

GINGERBREAD SOCKS

FrienDS
Support Group

£1 per biscuit

FrienDS is a local support group, based in Wrexham, for families of children who have Down's syndrome.

It is a small group run by parents whose only source of income is money we raise ourselves. We spend the money on family events, days out, Speech and Language Therapy, Makaton training, and other relevant courses.

All profits raised from the sale of these biscuits will go to FrienDS.
